Board of Directors
Alliance For Community Trees
College Park, MD

Independent Auditor's Report

We have audited the accompanying balance sheet of the Alliance for Community Trees as of December 31, 2008 and 2007 and the related summaries of income and cash flows, for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statement of financial position of the Alliance for Community Trees at December 31, 2008 and 2007, and the results of its operations and its cash flows for the year then ended in conformity with United States of America generally accepted accounting principles.
