Dear Name,

I am pleased to announce that for the 13th year in a row, Trees Atlanta is offering **Holiday Tree Greetings**. Holiday Tree Greetings are the perfect gift for each and every person on your holiday list. Last year alone, Trees Atlanta planted more than 1,200 trees through this program. Consider this lovely alternative to traditional wrapped gifts that will never go out of style!

Trees Atlanta offers a unique and meaningful gift that will help you breathe a little easier (literally.) For a minimum \$25 contribution each, an attractive Holiday Tree Greeting card will be mailed to your friends, family and business associates. The card announces that a year-old shade tree will be planted in their honor, thanks to your contribution to Trees Atlanta. They will know who to thank, because your name will appear on the card.

It's easy, earth-friendly and tax-deductible. Your contribution will provide shade, beauty and fresh air for generations to come. It's a gift that grows year round!

There are two options for ordering:

1. If you would like to personalize your Holiday Tree Greetings, cards can be mailed directly to you in bulk for addressing and distribution. *Or,*
2. Send the names and addresses from your gift list, plus a check for \$25 per person. Trees Atlanta will send each person on your list a Holiday Tree Greeting card, indicating that you have made a contribution to Trees Atlanta in his or her honor.

Trees Atlanta volunteers will plant the trees at schools, in parks and along neighborhood streets throughout metro Atlanta. We plant several varieties of oak, maple, birch, poplar, dogwood, and other "urban hearty" trees. Volunteer tree planting locations are listed on our website. The trees are watered and maintained throughout the year to ensure their health. *Remember: The more Holiday Tree Greetings you order, the more shade and clean air you provide for Atlanta!*

Please return the enclosed order form and a check (payable to *Trees Atlanta*) to 225 Chester Avenue; Atlanta, GA 30316. You can also order cards from our website at www.treesatlanta.org or purchase them retail at REI stores. The order form also includes an option for those who would like to make a year-end tax deductible contribution to Trees Atlanta without sending cards.

To ensure adequate delivery time, **please order by December 20**. For more information, please call the Trees Atlanta office or e-mail holiday@treesatlanta.org.

Please join us in planting more beautiful trees for Atlanta and best wishes for a happy holiday season.

Seasons Greetings,
Marcia D. Bansley

Executive Director

*Trees Atlanta is a non-profit citizens' group, dedicated to protecting and improving our urban environment by planting and conserving trees.
We also educate the public about the importance of trees.*
