

## Earth Day Network Grant Program

**Become an EDN grantee to receive support and funding from \$500 to \$3500!**

Earth Day Network is working with schools to win green school victories around the country. We are looking for those that characterize the range and diversity of the environmental movement and are representative of the myriad of ways to green a school – from bricks-and-mortar and schoolyard improvements to implementing environmental education, performing civic action, and achieving policy reform. Join us in leading this movement nationwide!

**Members of EDN's Educators' Network are eligible to become grantees to receive support and funding for their work to help their schools achieve change and reach victory through education, service, policy and action.**
